**Therapeutic Massage is administered on an individual basis
depending on the client's needs
in my home office.**

I specialize in the following modalities:

Trigger Point and Myofacial Release

CranioSacral Therapy

The Bowen Technique

I trained as a Physical Therapist working at Walter Reed Army Hospital in the rehabilitation of patients with neck, back, leg and arm injuries as well as victims of spinal cord injuries and strokes. Since 1979, I have concentrated on Therapeutic Massage as both practitioner and teacher conducting courses in massage technique as well as programs in stress reduction and relaxation.

The following problems have been successfully treated

- Repetitive use injuries
- Sports injuries
- Neck, back and shoulder injuries
- Migraine headaches
- Stress induced pain
- Post operative muscle spasm
- Fibromyalgia
